Floral & Gift Packaging Materials

Global B2B Supplier of Floral Packaging, Gift Packaging & Decorative Materials

Ningbo MH Industry Co., Ltd.

MH-Your Trusted Global Supplier

MH New Office Building

Founded in 1999, Ningbo MH Industry Co., Ltd. is a global integrated supplier specializing in garment accessories, fabrics, and home & gift packaging solutions.

To better serve evolving market demands, MH has expanded into floral and gift packaging materials, including flower wrapping paper, gift boxes and bags, decorative wrapping paper, deco mesh, non-woven fabrics, and floral foam.

Backed by a professional team of over 560 sales specialists and a global service network with 50+ overseas branches and local staff across Africa, Latin America, Eastern Europe, and Asia, MH delivers efficient, localized, and door-to-door support to customers worldwide.

Driven by innovation and operational excellence, MH continuously improves product development, supply chain efficiency, and service capabilities. The company has been recognized with honors such as “Zhejiang Top 100 Service Industry,” “Zhejiang Export Leading Enterprise,” and “AA Trustworthy Company.”

At MH, we are committed to long-term customer value by providing a comprehensive product portfolio, competitive factory pricing, reliable on-time delivery, and consistent quality assurance.

Floral Wrapping Mesh Roll (High-Elastic Floral Netting)

High-elastic, soft-drape decorative polyester mesh designed specifically for floral bouquet wrapping. Featuring a fine, flexible open-knit structure with a smooth touch and excellent drape performance, it naturally conforms to flower shapes without scratching petals or hands.

With strong stretch and recovery, the mesh can be freely twisted, folded, and shaped without collapsing, making it ideal for large bouquets and round wrapping styles. Compared with standard mesh, it delivers a more premium look and enhanced visual texture for high-end floral packaging.

Features: High elasticity & strong recovery | Soft-touch fine mesh | Excellent drape performance | Shape-retaining & non-deforming | Ideal for premium bouquet wrapping

Floral Wrapping Mesh Roll

Available in both hard mesh and soft mesh constructions, with jacquard and multiple decorative patterns. Rich in colors and textures, offering strong design versatility for floral packaging applications.

The breathable structure helps maintain airflow around fresh flowers, effectively extending vase life while enhancing overall visual presentation and premium feel.

Features:

Hard & soft mesh options | Jacquard & patterned designs | Rich color selection | Breathable structure | Helps extend flower freshness | Ideal for premium floral packaging

PP Non-woven Interlining for Flower Packaging

This premium PP nonwoven fabric features a vibrant color finish and an embossed 3D texture, delivering a more refined and high-end appearance compared to standard nonwoven materials. Lightweight yet structured, it offers excellent stiffness and shape retention, ensuring bouquet arrangements stay firm without collapsing or deforming.

Applications:

Floral wrapping | Garment packaging | Home textile packaging bags

Material: Polypropylene (PP)
Process: Spunbond + Embossed
Width: 160 cm
GSM: 60–100 gsm (regular 80 gsm)
Packing: 200 m/roll

Features:

Vibrant color finish | Embossed 3D texture | Lightweight but structured | Strong shape retention | Non-irritating & flower-safe | Premium decorative appearance
